

Sunshine Rare Coins Email Newsletter #5 Post Tampa FUN Show Edition!

Welcome to my fifth email newsletter. Since my last newsletter in December, I have been busy buying and selling coins at the recent January Tampa FUN Show.

Tampa FUN Show Report

The Tampa FUN show was an excellent show that surpassed even my best expectations. I really liked the Tampa location - it's a beautiful city that is right on the water.

From landing on Tuesday night up until Saturday afternoon the action was nonstop, despite a massive Winter storm that pummeled the Northeast and that caused significant flight delays.

It was harder than expected to find coins on the floor, but I managed to find some choice pieces for the website. As usual, there was a large buzz on the floor, and a large number of

collectors attended the show. This year's show was significantly stronger than the last few FUN shows. I think that the fact that the FUN show was stronger than expected is an indicator that 2018 will be a very good year for the coin market.

Heritage had a strong auction, with some great consignments including the Steven Duckor collection of Walking Liberty halves, and a 1838 O Reeded Edge Half Dollar graded PCGS PR-63 CAC. Not to be missed was the incredible offering of Patterns in the back of the Platinum Night catalog.

My next major show I will be attending is the March Whitman Baltimore show. It's always a great show, with large attendance from the public. I always seem to find fresh material on the bourse floor.

I also set up at the Parsippany, NJ Show almost every month. It's the first Sunday of the month and it's always a fun one day local show with good public attendance.

Please keep checking the website in the next few weeks because I add new coins frequently. If you are looking to sell quality Bust or Seated coins or have anything that you might want to consign to me - please contact me. Also, please let me know if you have any coins on your want list that I can help you find - not all of my coins make the website. I have a growing number of collectors who give me want lists so I can help you find that special coin.

I have just added a large group of choice NEWPS to the website from the Tampa FUN Show, including some premium quality Bust and Seated coins across all price ranges.

Please visit my website below to see my full inventory, and email me at davidbsunshine@yahoo.com if you see anything of interest.
